

Sarah E. Elder

seelder@ncsu.edu

Education

North Carolina State University, Raleigh, NC GPA: 3.73
Provost Fellowship (2015-2016), Teaching Assistant (2018-2019), Research Assistant (2016-2018, 2019-2023)
MS Computer Science, **Completed** Graduation Date: 2018
PhD Computer Science, Current Student Planned Graduation Date: 2024

University of Virginia, Charlottesville, VA GPA: 3.65
BA Computer Science; BA History Graduation: May 2012

Current Research Activity

Research Topic: *Applying Software Security Assessments in Realistic Contexts*

Related Activities:

- Student participant in the Science of Security lablet at NCSU (2016-2017, 2018)
 - RSA Security Scholar, attended the 2019 RSA Conference
 - Participant in the 2021 ICSE Doctoral Symposium
-

Work Experience

NCSU, *Instructor of Record – Discrete Mathematics*, Raleigh, NC 2018

- Prepared and presented lectures and assignments based on existing material for a 15 student course

IBM, *I/T Specialist*, DC Metropolitan Area 2012-2015

- Prepared test plans and test data for System and User Acceptance testing, and analyzed defects found
- Assisted in multiple proposal efforts.

Internships

Microsoft, *Intern/Contractor through Aquent*, Remote. 2021

- Researched relative security risk in large, interconnected (e.g. cloud) systems

Northrop Grumman Corporation, *Intern*, Morrisville, NC 2017

- Refactored and documented a machine-learning-based Python application

Corporation for National Research Initiatives, *Intern*, Charlottesville, VA 2012

- Researched Digital and Institutional Repositories to improve utilization of existing resources

NASA Langley Research Center, *Intern*, Hampton, VA 2011

- Worked in a team adapting existing tools to improve compatibility with data from the CALIPSO satellite
-

Skills

Proficient In: Java, MySQL, Python, R

Familiar With: C#, C/C++, HTML, Javascript, Selenium Webdriver, Linux, Windows, NIST SP 800 series

Service Highlights

NCSU Cybersecurity Awareness Data Privacy Checkup, 2021: Lead a small-group, hands-on discussion of data privacy hygiene for iPhones using a script provided by the NCSU Cybersecurity Awareness Team

WiSEC Replicability, 2021: Evaluated a replicability package according to ACM and conference guidelines

NCSU Libraries Departmental Representative, 2019-2023: Attended meetings and facilitated communication between the department and NCSU libraries as the CSC graduate student representative

NCSU CSC PhD Recruitment, 2017: Assisted with guiding prospective students around the NCSU campus.

IBM Public Sector Women's Networking Group (PSWNG), 2012-2014: Part of a team that taught a monthly course at a charter school in Washington D.C. (ad-hoc)
